

ADVISORY BOARD

March 2020

Sir Tim Berners-Lee

Inventor of the World Wide Web

Tim Berners-Lee invented the World Wide Web in 1989. He wrote the first web client and server in 1990. His specifications of URIs, HTTP and HTML were refined as Web technology spread. He is the Director of the World Wide Web Consortium (W3C), a Web standards organization founded in 1994 that develops interoperable technologies (specifications, guidelines, software, and tools) to lead the Web to its full potential. He is the 3Com Founders Professor of Engineering in the School of Engineering with a joint appointment in the Department of Electrical Engineering and Computer Science at the Laboratory for Computer Science and Artificial Intelligence (CSAIL) at the Massachusetts Institute of Technology (MIT) where he also heads the Decentralized Information Group (DIG). Tim is a Director of the World Wide Web Foundation and is a member of the UK's Transparency Board, and president of London's Open Data Institute.

Dany Garcia

CEO, The Garcia Companies and Seven Bucks Productions

As Chairwoman and CEO of The Garcia Companies, Dany is the visionary architect behind some of today's most successful enterprises, brands and talent. In this capacity, she is the very successful manager of Dwayne "The Rock" Johnson. In addition, Dany is the CEO of Seven Bucks Productions, a full-service production company she and Johnson co-founded. Dany is the recipient of many awards and recognitions, and her passion for bettering the world through socially responsible decisions is consistently reflected in the culture of her teams and the businesses she builds. Dany brings her precise instincts, innovative global approach, and sterling execution strategies to MeWe. Her client lists read like a who's-who, and she is also a leading IFBB Pro Women's Physique Bodybuilder. Named "Bridge Builder Impacto Latino of the Year" in 2015, Dany is guided by passion, honesty, and unyielding integrity.

Jamie Gold

Philanthropist, Marketing/PR Specialist, Poker Champion

Jamie's career includes having been a talent manager, event producer, poker legend, TV personality, VC advisor, angel investor, marketing and PR specialist, and most importantly a philanthropist. He and his team have produced hundreds of events supporting The ALS Association, Variety Children's Charity, JDRC, LLS, United Nations and other worthy organizations, raising and donating \$600M to date. Jamie won the 2006 World Series of Poker Main Event. The 8773 entrants with a prize pool of 87 million dollars is still the largest in the history of the WSOP. He ran an entertainment company for 15 years representing the early careers of 50 notable artists including James Gandolfini, Donnie Wahlberg, Jimmy Fallon, Felicity Huffman and Brandy. As an advisor and marketing specialist to tech companies Jamie has been involved in the launch, expansion, marketing and financing of companies in the gaming, media, and tech sectors.

Raj Sisodia

Co-Founder of ConsciousCapitalism.org

Raj Sisodia has been named one of the top "50 Leading Marketing Thinkers", "Top 100 Thought Leaders in Trustworthy Business Behavior", and "Ten Outstanding Trailblazers."
